Submission of this form indicates serious parental interest but does not guarantee a child's placement in the school. Application files must be complete before enrollment is considered. In addition to the in-person assessment made during the application process, our staff reviews previous school records and information from the applicant's family and current or previous teachers to ensure that the child and the school are a good fit.

**Please return this form to:  
Waimea Country School, Attn: Admissions, P.O. Box 399, Kamuela, Hawai'i 96743**

Date received: \_\_\_\_\_

*Waimea Country School admits students without regard to financial ability, race, color, religion, creed, national/ethnic origin, sex, sexual orientation, or physical appearance. Every child who wants to be here and can thrive in our community is welcome.*

## STUDENT APPLICATION FORM

### *PART TWO: PARENT QUESTIONNAIRE*

Waimea Country School serves children of diverse family backgrounds, abilities, and needs. Our learning program is collaborative and presupposes certain skills. Children are expected to assume responsibility for themselves, for one another, and for the classroom environment. In order to better know and plan for prospective students, we ask parents to complete the following questionnaire:

1) Why are you interested in Waimea Country School for your child? What benefits do you hope he or she will derive from attending our school?

2) What do you particularly like about your child? What makes him or her special?

3) What are your child's special interests and talents?
